

## EXEMPTION FROM LIABILITY OF LAW OFFICE MAG. MARKUS ADAM

This website has been designed to provide information about the law office of Mag. Markus Adam, who – unless stated otherwise – is responsible for the contents and design of the website. Mistakes and changes are not excluded.

Mag. Markus Adam does not assume responsibility for the contents of websites that can be accessed through links on this website!

Should you encounter technical problems with our website, please inform us immediately.

### Liability for contents

The contents of these pages have been designed with great carefulness. However, we cannot assume liability for the contents to be accurate, complete and up-to-date. As a service provider we are responsible for the contents on these pages according to the general laws. Service providers are neither obligated to monitor third-party information which they transmit or have saved, nor to investigate circumstances which may indicate any illegal activity. This does not affect the obligation to remove information or block out its use according to the general laws.

Such liability only applies after knowledge of a violation of the law has been obtained. As soon as the violation of the law has become known, we will remove the corresponding contents.

### Liability for links

Our offered service includes links to third-party websites, the contents of which we cannot influence. Therefore we cannot assume liability for such third party contents. The respective provider or operator of the websites is responsible for the contents of the linked websites.

The linked websites were examined regarding any possible violations of the law at the time the link was established. At that time no illegal contents could be found. A continuous monitoring of the contents of the linked websites is, however, not reasonable without a concrete clue to a violation of the law.

As soon as any violation of the law has become known, we will remove such links immediately.

### Copyright

The operators of these pages aim to respect other parties' copyrights and to use their own works or unlicensed works.

The contents and works created by the operators of these pages are subject to the German copyright. Third-party content is marked accordingly. Any duplication, adaptation and circulation outside the copyright limitations require the written consent of the respective author or writer. Downloading and copying these pages are only allowed for private, non commercial use.

### Data protection

Personal data (e.g. name, address or e-mail addresses) collected on these pages are, wherever possible, requested on a voluntary basis. The use of our offers and services is generally possible without entering personal data.

The use of contact information published under the duty to publish the imprint by a third party in order to send advertisements and information material which has not expressly been requested is repelled. The operators of these pages reserve the right to take legal action in the case of non-requested sending of commercial information, i.e. via spam mail.
